7. No additional equipment or devices are supplied other than items specifically listed in this quote.

Shipping:

8. *For Ocean Freight Shipment: Shipping Terms: Ex-Works, Kiryat Gat, Israel.

Try and Buy terms:

- Try and Buy period starts with the day of completed installation and lasts for 5 months.
- Tesla buys materials (Dimengel 90 and/or Dimengel 110) at regular list prices or joins MASSIVit's 'All You Can Print Program' (separate agreement) for the Try and Buy period.
- Tesla agrees to purchase equipment as listed in this agreement, after Tesla's expectations are met within the Try and Buy period.
- Expectations, goals and milestones are set in a separate agreement attached to this proposal.
- Tesla grants MASSIVit's staff members full access to equipment for all reasons to make the Try and Buy period a success for both sides.
- MASSIVit will install an Application Engineer on site for multiple periods during the Try and Buy phase to help, support and train Tesla's staff members.
- Tesla works closely with MASSIVit to make the Try and Buy period a success for both sides.
- If Tesla purchases equipment as listed in this agreement, down-payment (\$ 47,200) will be subtracted from the total buying price.
- Equipment is owned by MASSIVit 3D until the end of the Try and Buy period, and/or until it is 100% purchased by Tesla.

Definition of success for the Try and Buy period which shall lead to a purchase of the equipment listed in this agreement by Tesla.

- Specific projects will be defined and named by Tesla.
- Tesla will provide project related 3D files to MASSIVit.
- MASSIVit will evaluate provided files and define the possibilities of success before starting the Try and Buy period.
- Both parties will work closely to ensure the highest possible success rate.
- Both parties shall hold weekly calls/meetings for the first 2 months and every 14 days for the last 3 months of the Try and Buy period. Target is to report challenges, experiences and to set the right steps to meet Tesla's expectations.
