Other Considerations

- The beta period is for 2 months from installation
- The intended beta period is May 2021 through June 2021
- Beta price is discounted 20% from intended market price
- During the beta period the customer is obligated to confidentiality
- Well documented weekly feedback and ongoing communication are required
- Signing a Beta contract is required
- Massivit is not obligated to the intended timeline or to the product launch

* Computer not included

** Features not included – file repair & healing, object design & editing, cut; solution may include several steps and several tools and not necessarily one integrated solution. Some features may be delivered through online tools.
