

Coke Glass

In Massivit 1800

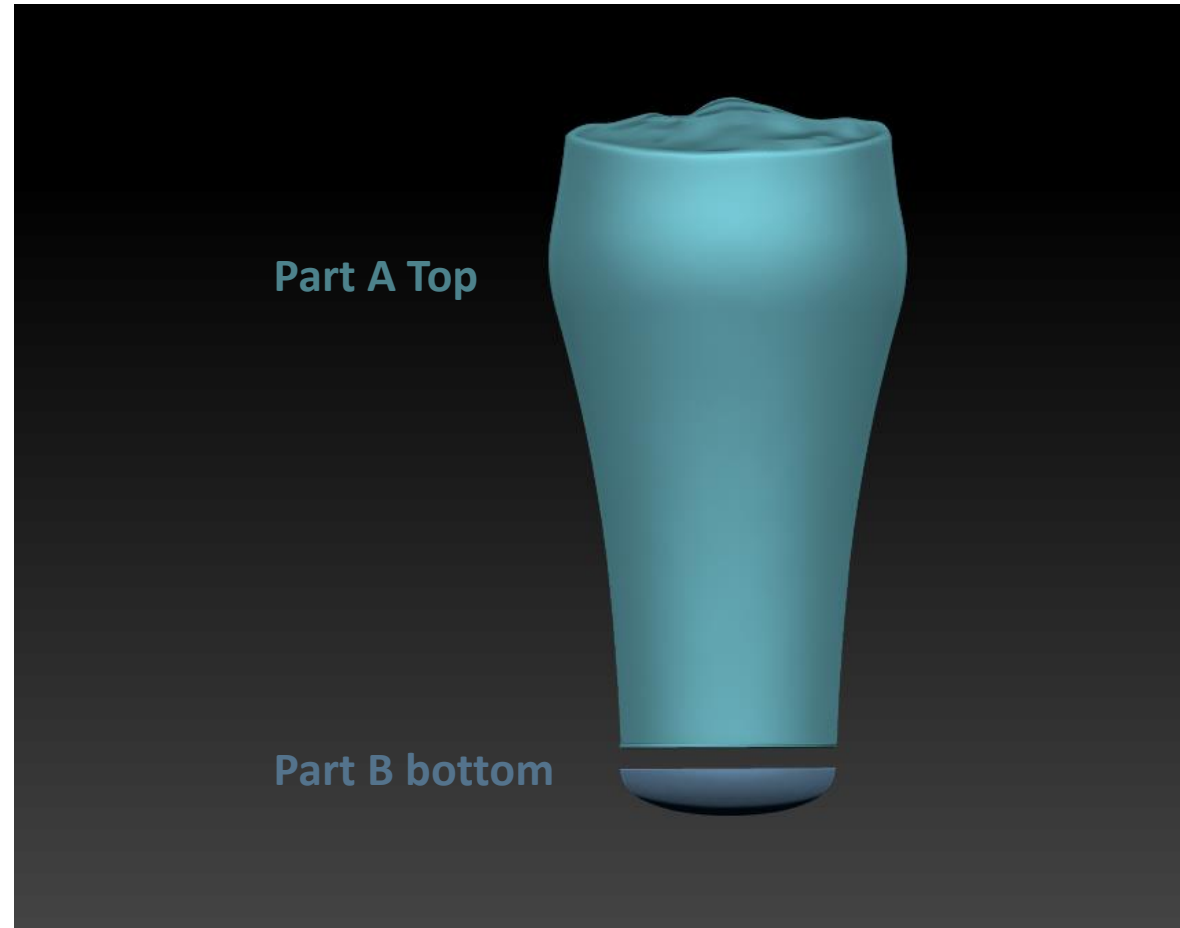

Details

- **Size:**

- 1100 X 565.22 X 214.11 mm
- 43.34 X 22.26 X 8.43 inch

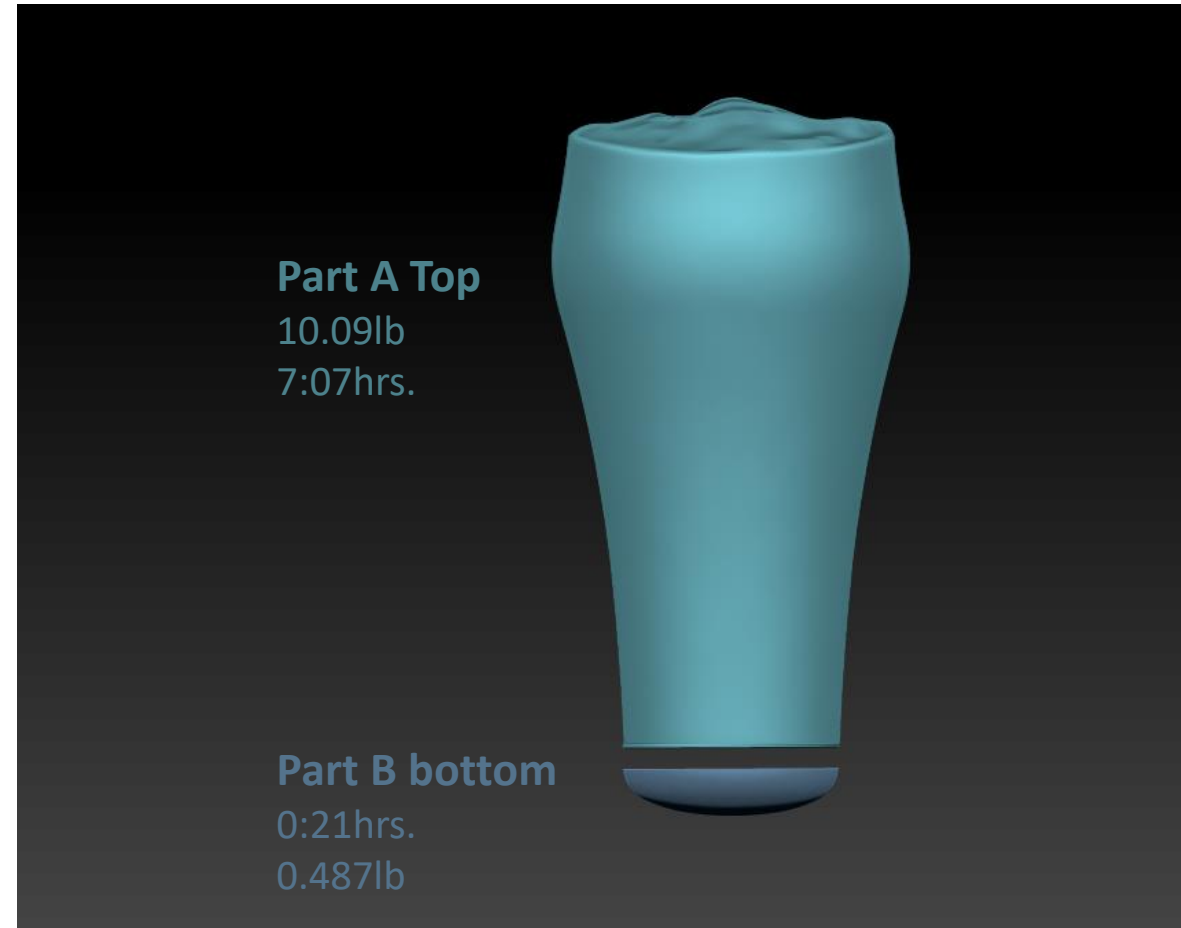

- The file was divided into 2 parts for better printing results.
- In order to flat the back part of the model, we cut a small part.
- Two samples were sent.

One- filled with polyurethane and smoothed
Second- as is straight et from the machine

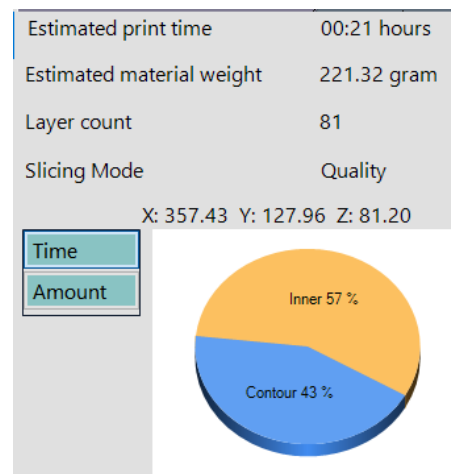

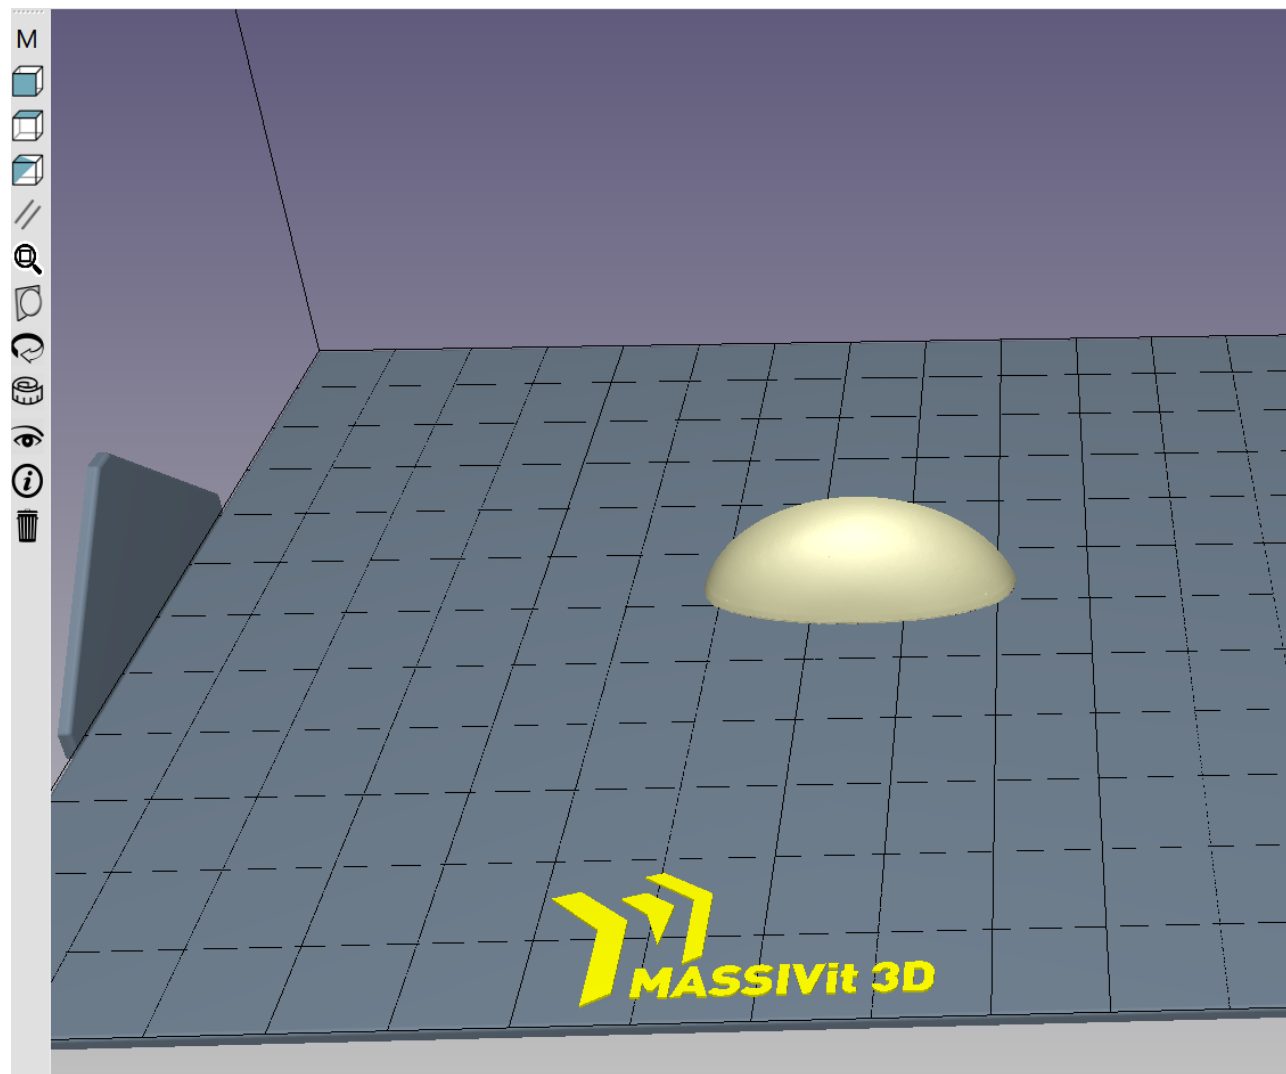

Splitting & Slicing the model
